

Picture News

Picture news is a resource that we use during class worship to enable our children to explore current affairs. The resources are designed to provide opportunities for children to learn from our world and develop respect for other's beliefs, feelings and faiths. They encourage exploration, discussion, challenge and inspire children to learn.

Picture news provides St Saviour's with resources to create engaging and exciting lessons, allowing opportunities for children to learn about our world, develop independence, resilience, respect and unlock their own drive and passion for learning.

Teaching the news not only provides great content and stimulus and grips children's attention, it is also something that the children can impact. It is current, happening now and so their voice is given meaning and purpose.
