HEAD TEACHER'S THOUGHTS FOR THE WEEK "Trust is easy to lose, hard to regain"

Well another week flies by, maybe as it was only 4 days!

We started the week with our PSHE SCARF workshops, with the children in Year 1 to Year 4 getting a visit from Rachel who talked all about how to be mentally healthy. Well done to each class for being so open and honest and ensuring Rachel enjoyed her visit. Thanks to Mrs Faulkner for organising such a great visit.

On Thursday we celebrated VE Day and the 80th Anniversary. Thank you to Andrea for putting on a special lunch and well done to all the children for

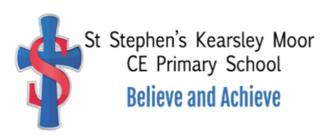

learning so much about this historic event. Did you hear the bells ringing at 6.30pm around Bolton?

Next week is SATs week for Year 6 children and they are invited to our SATs breakfast club from 8.20am. Please make sure all our Year 6 children are here on time everyday next week so they can achieve their very best!

Thanks to everyone for stepping up and trying to be more punctual, we are really trying to reduce the amount of lates. Remember, every minute counts!

We also have our National Census next week, so please try to sign up for a school dinner on Thursday as this will help school funding! Remember, every dinner counts!

Thankfully, we had the outside gym flooring repaired on Saturday so we could reopen it this week. Thanks to Mr Williams for coming in on the Bank Holiday weekend to supervise, we appreciate it very much

Have a super weekend and Year 6 make sure you get some rest! See you all on Monday.

Mr Puckey Head Teacher

SATS WEEK

Year 6 will be sitting their SATS tests from Monday 12th May. Please can you ensure your child has plenty of sleep next week and a healthy breakfast before coming to school so they are well prepared. To facilitate this, Andrea, our Kitchen Manager, has kindly offered to provide a free breakfast for YEAR 6 ONLY each day next week from 8.20 am in the school hall. This will give the children a chance to relax and have a chat with their friends before the start of the day.
