

Year 4 – Seasonal Stockings

Key Vocabulary

Stocking	An empty sock-shaped bag that is hung up in people's home to be filled with gifts and treats.
Function	What we might use something for.
Visual Appeal	How attractive and eye-catching something is e.g. colour and decoration.
User	The person your product is for.
Sew	Join or fasten fabrics together with a stitch using a needle and thread.
Join	Using stitches to securely join fabrics together.

Design and Make a Seasonal Stocking

Sticky Knowledge:

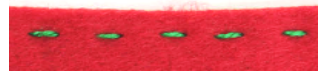

The process of **joining** two or more pieces of fabric together is called **sewing**.

Sewing stitches keeps the fabric joined together and in line to make your product **functional**. Using different stitching techniques can make your product **visually appealing**.
