Is your child starting school in September?

DON'T FORGET THEIR SCHOOL READINESS HEALTH QUESTIONNAIRE!

There's lots to think about when your child starts school for the first time, but it's important to complete their School Readiness Health Questionnaire so that they can receive the support they deserve.

WHAT IS THE QUESTIONNAIRE FOR?

Parents and carers who have a child due to start school for the first time in 2024, at a Warwickshire school, should complete the School Readiness Health Questionnaire. It helps to identify if they have any health and wellbeing needs that they may require support with in order to reach their full potential as they enter education.

WHO WILL READ MY ANSWERS?

Your completed questionnaire is sent to Connect for Health, your local school nursing service who take over from Health Visiting when your child starts school. Your answers are treated confidentially and stored securely online. Based on your answers, you will be offered advice and guidance, as well as the opportunity to contact the team for further support.
