

At Studley Infants' School we...

Subject: Maths **Year group:** Year 1 and 2

Activity/ experience: measuring temperature and subtracting

Intent/ implement: We work independently and problem solve. We read scales.

Vision/curriculum: Creative, successful and curious.

At the end the children were able to use their maths knowledge of scales to read a thermometer to find out if they had kept the Astronauts blood warm. They applied their subtraction skills to Pirate day.

Suppose, Imagine & Succeed!
