

DATES FOR YOUR DIARY

At Studley Infants, we want to ensure all children are happy and confident learners. Starting school for the first time can be a daunting experience and we want every child to have a positive start to full time education.

All the children will start school on the same day, however, we phase the length of the school day over the first week in order to help the children to settle in happily; this allows time for them to adapt to the new routines in a calm and contented way.
