

Nursery – Autumn 2

Our book this term:

**Each Peach
Pear Plum**
by Janet and Allan
Ahlberg

Can you help?

(resources or sharing expertise):

We need things for the children to pull apart or deconstruct for our Tinkering Station. Anything that requires power OR has a movement mechanism are ideal Tinkering items. Please note, we will be removing the cord in all electrical items before adding it to the area.

Our themes:

- Rhymes and Rhyming
- Nursery Rhyme Week
- Bonfire Night
- Diwali
- Remembrance Day
- Christmas

Ways to support learning at home:

- * Develop a love for rhythm and rhyme – Share and enjoy stories that rhyme. Listen carefully to spot the words that sound the same
- * Develop an interest in number - Enjoy singing songs and playing games that explore the concept of one more and one less (5 Little Ducks, 5 Little Monkeys, 5 Currant Buns)
- * Support independence – Encourage turning jumpers, cardigans and coats the correct way, when they are inside out and practise putting on coats, hats, scarves and gloves
