

School Uniform Policy

At Studley Infants' we have a suggested school uniform in order to encourage a sense of school pride, unity and community spirit. As members of Studley Infants' School all children are encouraged to observe this policy. Uniform does not have to have a School Logo on and the colours can be found at most supermarkets. If parents wish to order new uniform with the logo this can be ordered through Parentmail. The PTA do have some second hand uniforms for sale during the year. School also has a small amount of older spare used school uniform in the case of emergencies.
