

Nursery – Spring 2

Our book this term:

**Whatever
Next!
Jill Murphy**

Can you help?

(resources or sharing expertise):

- Go on a Spring walk. What can you see? Discuss changes in the environment compared to Winter.
- Do you have any seeds, bulbs, seed trays, plant pots, soil, compost to spare?

Our themes:

- Space
- Growing
- Pancake Day
- World Book Day
- Mothering Sunday
- Easter
- Exploring and Understanding number
- My Happymind: Meet Your Brain
- International Day: New Zealand

Ways to support learning at home:

- * Develop a love for books and stories – Visit the local library and enjoy other stories written by Jill Murphy or see if you can find any other stories about space
- * Support independence – Encourage your child to dress themselves with some support
- * Explore and develop mathematical vocabulary – Use recycled materials to create a space rocket. Model language such as edge, curve, straight, round, flat, sides, face, corner, smooth
