

Reception – Term 5

Our book this term:

**On The Way
Home
By Jill Murphy**

Can you help?

(resources or sharing expertise):

Have you had a spring clean? We are looking for jigsaw puzzles, simple games, toys and dressing up clothes. If they are still in good condition, we would love to give them a new home!

We are also looking for any broken or unwanted electrical equipment to support fine motor development such as old keyboards, DVD players, sky boxes. Basically, anything that can be taken apart!

Our themes:

- Fairy Tales
- Supersonic Phonic Friends Basics 2/Basics 3
- English: Little Red – Instruction Sentences
- Maths: Exploring 3D Shapes, To 20 and Beyond, How many? Manipulate, Compose and Decompose
- My Happy Mind: Relate
- Music: Transport
- RE: How concepts of friendships, kindness and how to treat others are developed within organized worldviews?
- Design Technology: Junk Textiles – Book Marks
- PE: Games

Ways to support learning at home:

* Snuggle up and share a book – Create yourself a reading den or cosy corner. Take a look at the benefits of readings <https://www.booktrust.org.uk/resources/reading-benefits/>

* Don't forget to use your SSPF Newsletters each week to practise reading and writing using spelling sounds the children have been taught in school.

* Explore and develop mathematical vocabulary – Use recycled materials to create models. Model language such as edge, curve, straight, round, flat, sides, face, corner, smooth

* Develop a love of nature and the outdoors – Go on a minibeast hunt or create your own bug hotel. Don't forget to upload a picture to Seesaw <https://www.youtube.com/watch?v=wFwNvpqT4iY&t=161s>
