The aim of these forums are to be a protected, positive and non-judgement space where we can share stories and speak generally about our children. You can share as much or as little as you wish but individual situations will not be discussed in depth to ensure we provide balance and meet the holistic needs of the group.

If you would like to attend the next workshop on 18/01/2023 please call Reception on 01702 904633. If you have any questions, please do not hesitate to contact me.

Kindest Regards
