

24th November 2021

Dear Parents/Carers

I am writing to you with a copy of our most recent Ofsted Report, October 2021. As you will see, Sutton House Academy has and continues to make tremendous improvements towards the quality of provision and much is celebrated, particularly in areas such as Leadership and Management and Personal Development.

Naturally, we have areas for further development and I want to take this opportunity to assure you that we have wasted no time in implementing School Improvement targets to immediately focus our attention on the points raised within the report.

The report highlights further, how parents/carers can continue to comment on the Academy's achievements/raise additional points or concerns. I would like to thank all of you for your continued support with all that we do and especially during the very difficult months of lockdown and the ongoing Covid pandemic.

Please do not hesitate to get in touch if you would like to discuss the report with myself or the senior team.

Yours sincerely

Alexis Bull
Headteacher
