

## After School Curriculum

### Music Monday

With the guidance of a performing musician, students explore playing music as an ensemble, communicating musical ideas, learning core music theory and concepts such as rhythm, harmony, melody and timing.

Music Mondays also gives the opportunity for students to take part in performances and demonstrate skills which can contribute to their Arts Award qualification, social skills, confidence and team building.

2pm - 3pm on Mondays for REACH and Secondary students.

### Enterprise

#### Tuesday and Thursday

Students work with an experienced carpenter to learn the fundamentals of carpentry such as, safe practice with hand tools, accurate measuring, angles, geometry, variation of joints in carpentry and managing money using an 'enterprise' account sheet.

Enterprise will improve a variety of skills for our students including, safety, responsibility, self sufficiency and fine motor skills.

Enterprise takes place from 2PM - 3PM on Tuesdays for 9-12 yrs and Thursdays

Getting it Right for Every Child!
