Topics:

- Saying goodbye to 2 year 11 pupils of the Pupil Voice
- Visit from Jess and Neve

Notes:

» Pupil voice were listening to Neve and Jess about the reward points and what this would mean if weekly and if can save points up.

Pupil voice liked the idea of being to save their points in order to build them up for bigger rewards.

Pupil voice then gathered and had a look of all school response to the bronze silver and gold options and opinions of what the school put down on paper.

From this they were able to put a list for Neve and Jess of best ideas and what were affordable.

Pupil voice then said thankyou and goodbye to Alex who has been apart of pupil voice for 5 years and Corey who has done pupil voice for 3 years, for all their hard work and ideas.
