Mathematics - Yearly Overview 2023-2024

Sutton House Academy

Subject: Mathematics	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 7	**Year 3 level students** Place value and money Addition and subtraction	**Year 3 level students** Measures and data Multiplication and division	**Year 3 level students** Fractions Time and Data	**Year 3 level students** Place value and money Addition and Subtraction	**Year 3 level students** Place Value Addition and Subtraction Fractions	**Year 3 level students** Multiplication and Division Shape
	Year 4 level students Place Value Addition and Subtraction	**Year 4 level students** Measures and Data Multiplication and Division	**Year 4 level students** Decimals and Fractions Shape	**Year 4 level students** Multiplication and Division Addition and Subtraction	**Year 4 level students** Place Value Addition and Subtraction Decimals and Fractions	**Year 4 level students** Multiplication and Division Measures and Data
	Year 5 level students Place Value Addition and Subtraction	**Year 5 level students** Measures and Data Multiplication and Division Decimals and Fractions	**Year 5 level students** Decimals and Fractions Shape	**Year 5 level students** Multiplication and Division Addition and Subtraction	**Year 5 level students** Place Value Addition and Subtraction Decimals, Percentages, Fractions	**Year 5 level students** Multiplication and Division Measures and Data
	Year 6 level students Place Value, Addition and Subtraction More Place Value, Addition and Subtraction	**Year 6 level students** Shape Multiplication and Division Decimals and Fractions	**Year 6 level students** Decimals and Fractions Measures and Data	**Year 6 level students** Multiplication and Division YEAR 6 TESTS KS3 CATCH-UP BOOKS	**Year 6 level students** Grade 1 GCSE Exam Topics	**Year 6 level students** Grade 1 GCSE Exam Topics
	GCSE-Level Students Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)

Subject: Mathematics	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 8	**Year 3 level students** Place value and money Addition and subtraction	**Year 3 level students** Measures and data Multiplication and division	**Year 3 level students** Fractions Time and Data	**Year 3 level students** Place value and money Addition and Subtraction	**Year 3 level students** Place Value Addition and Subtraction Fractions	**Year 3 level students** Multiplication and Division Shape
	Year 4 level students Place Value Addition and Subtraction	**Year 4 level students** Measures and Data Multiplication and Division	**Year 4 level students** Decimals and Fractions Shape	**Year 4 level students** Multiplication and Division Addition and Subtraction	**Year 4 level students** Place Value Addition and Subtraction Decimals and Fractions	**Year 4 level students** Multiplication and Division Measures and Data
	Year 5 level students Place Value Addition and Subtraction	**Year 5 level students** Measures and Data Multiplication and Division Decimals and Fractions	**Year 5 level students** Decimals and Fractions Shape	**Year 5 level students** Multiplication and Division Addition and Subtraction	**Year 5 level students** Place Value Addition and Subtraction Decimals, Percentages, Fractions	**Year 5 level students** Multiplication and Division Measures and Data
	Year 6 level students Place Value, Addition and Subtraction More Place Value, Addition and Subtraction	**Year 6 level students** Shape Multiplication and Division Decimals and Fractions	**Year 6 level students** Decimals and Fractions Measures and Data	**Year 6 level students** Multiplication and Division YEAR 6 TESTS KS3 CATCH-UP BOOKS	**Year 6 level students** Grade 1 GCSE Exam Topics	**Year 6 level students** Grade 1 GCSE Exam-Question Booklets
	GCSE-Level Students Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1 GCSE Exam Topics

Subject: Mathematics	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 9	**Year 3 level students** Place value and money Addition and subtraction	**Year 3 level students** Measures and data Multiplication and division	**Year 3 level students** Fractions Time and Data	**Year 3 level students** Place value and money Addition and Subtraction	**Year 3 level students** Place Value Addition and Subtraction Fractions	**Year 3 level students** Multiplication and Division Shape
	Year 4 level students Place Value Addition and Subtraction	**Year 4 level students** Measures and Data Multiplication and Division	**Year 4 level students** Decimals and Fractions Shape	**Year 4 level students** Multiplication and Division Addition and Subtraction	**Year 4 level students** Place Value Addition and Subtraction Decimals and Fractions	**Year 4 level students** Multiplication and Division Measures and Data
	Year 5 level students Place Value Addition and Subtraction	**Year 5 level students** Measures and Data Multiplication and Division Decimals and Fractions	**Year 5 level students** Decimals and Fractions Shape	**Year 5 level students** Multiplication and Division Addition and Subtraction	**Year 5 level students** Place Value Addition and Subtraction Decimals, Percentages, Fractions	**Year 5 level students** Multiplication and Division Measures and Data
	Year 6 level students Place Value, Addition and Subtraction More Place Value, Addition and Subtraction	**Year 6 level students** Shape Multiplication and Division Decimals and Fractions	**Year 6 level students** Decimals and Fractions Measures and Data	**Year 6 level students** Multiplication and Division YEAR 6 TESTS KS3 CATCH-UP BOOKS	**Year 6 level students** Grade 1 GCSE Exam Topics	**Year 6 level students** Grade 1 GCSE Exam Topics
	GCSE-Level Students Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)

Subject: Mathematics	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 10	**Year 3 level students** Place value and money Addition and subtraction	**Year 3 level students** Measures and data Multiplication and division	**Year 3 level students** Fractions Time and Data	**Year 3 level students** Place value and money Addition and Subtraction	**Year 3 level students** Place Value Addition and Subtraction Fractions	**Year 3 level students** Multiplication and Division Shape
	Year 4 level students Place Value Addition and Subtraction	**Year 4 level students** Measures and Data Multiplication and Division	**Year 4 level students** Decimals and Fractions Shape	**Year 4 level students** Multiplication and Division Addition and Subtraction	**Year 4 level students** Place Value Addition and Subtraction Decimals and Fractions	**Year 4 level students** Multiplication and Division Measures and Data
	Year 5 level students Place Value Addition and Subtraction	**Year 5 level students** Measures and Data Multiplication and Division Decimals and Fractions	**Year 5 level students** Decimals and Fractions Shape	**Year 5 level students** Multiplication and Division Addition and Subtraction	**Year 5 level students** Place Value Addition and Subtraction Decimals, Percentages, Fractions	**Year 5 level students** Multiplication and Division Measures and Data
	Year 6 level students Place Value, Addition and Subtraction More Place Value, Addition and Subtraction	**Year 6 level students** Shape Multiplication and Division Decimals and Fractions	**Year 6 level students** Decimals and Fractions Measures and Data	**Year 6 level students** Multiplication and Division YEAR 6 TESTS KS3 CATCH-UP BOOKS	**Year 6 level students** Grade 1 GCSE Exam Topics	**Year 6 level students** Grade 1 GCSE Exam Topics
	GCSE-Level Students Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)	**GCSE-Level Students** Grade 1-5 GCSE Topics (in order from 1-5)

Subject: Mathematics	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 11	Edexcel Mathematics GCSE past papers Grade 1-5 GCSE Topics (accordingly for each student)	Edexcel Mathematics GCSE past papers Grade 1-5 GCSE Topics (accordingly for each student)	Edexcel Mathematics GCSE past papers Grade 1-5 GCSE Topics (accordingly for each student) Functional Skills Level 2 Exam	Edexcel Mathematics GCSE past papers Grade 1-5 GCSE Topics (accordingly for each student) Functional Skills Level 1 and/or 2 Exam (based on performance in Spring 1 Exam)	Edexcel Mathematics GCSE past papers Grade 1-5 GCSE Topics (accordingly for each student)
