

Dear Parents/Carers

RE: Wednesday 28th February 2024 and Wednesday 13th March 2024

We would like to invite you all to a friendly coffee morning including pastries to discuss any problems which you would like to bring to Sutton House's attention about the safeguarding of your child or, any general questions which you would like to ask. Also, we will be discussing the benefits of regular attendance in school.

We hope this will benefit all our parents/carers and encourage new friendships amongst our parents/carers. Please contact the school office on 01702 904633 to confirm your attendance.

Kind regards

Jessica Smethurst
Designated Safeguarding Lead
