22nd November 2019

Dear Parents/Carers

I would like to advise you of a slight change to our school term dates which can be found on our website.

Wednesday 22nd July 2020 was shown as an inset day for staff. This day has now been cancelled and will be a normal school day for all pupils and is also the last day of term for pupils before the summer break.

I do hope this change does not cause any inconvenience to you.

Yours sincerely

Alexis Bull
Headteacher
