

Dear Parents/Carers,

It has been lovely to speak to and see some of you all this week, we are all delighted to see the children looking well and healthy during this difficult time. We are all looking forward to getting back to normal as soon as we possibly can!

Home learning can be challenging, especially on a 1 to 1 basis and it can be a difficult to time manage activities you do throughout the day. It has been wonderful to see some of our parents creating their own daily and weekly time tables to help structure each day so that a routine is embedded at home for the children. We have

created a suggested, visual daily time table that you and your child can follow each day to help make each day interesting, engaging and as positive as possible! If your child has completed any work and would like to hand it in, we have a drop off box at the front of the office or if you are unable to get to school at the moment, we can arrange to come and collect their completed work and deliver a new work pack for them to complete.

If your child has been very busy and has completed all of the work in their work pack and are waiting for new work, they can also use Lexia and BBC Bitesize have fantastic, free resources with daily lesson plans to follow:

www.bbc.co.uk/bitesize/dailylessons

If you have any questions, please feel free to call us on 01702 904633 between 9-12pm, Monday to Friday.

Kind Regards

Sally Roche

Primary Teacher at Sutton House Academy

This is my name...		My Daily Visual Timetable						This is me!
