

11<sup>th</sup> December 2020

Dear Parents, Carers, and Families

We are writing to inform you that we received confirmation of a member of staff that has tested positive for COVID-19. This member of staff is from the Sky Blue Bubble. We are working closely with the Public Health England's London Coronavirus Response Cell team.

The member of staff was not on site during the symptom onset period which means there are no direct or proximity contacts in that bubble zone. No classes are moving into self-isolation, however we are writing to families to ensure our community is informed.

Please continue to monitor your child and family for symptoms. If your child develops any symptoms, please contact the school. The most common symptoms of coronavirus (COVID-19) are:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

Thank you for supporting us and one another during this complex time. If you have any questions or concerns, please contact reception on 02076818080, email [support@swisscottage.camden.sch.uk](mailto:support@swisscottage.camden.sch.uk), or speak to us at the school gates. We want to ensure you are supported.

Yours Sincerely,

Vijita Patel     Rebecca Shaw  
Principal        Vice Principal
