

TOTAL COMMUNICATION

A workshop for Camden parents of children with learning disabilities of any age who are not yet using spoken language to communicate

When: Tuesday 18th June, 10am-12pm

Where: Virtual meeting on ZOOM (**You must book a space**)

This workshop will be suitable for anyone with a non-speaking child or a child who has some words but does not use them very functionally to communicate with others. (This could be a child of any age)

We will explore ways of building children's communication using a range of strategies such as pictures, objects and signs. There will be time for you to ask questions and share your experiences with other parents during the course of the session.

The workshop will be delivered by NHS Speech and Language therapists from the Camden Complex Needs Team (Hannah Bellman) and the Camden Language and Communication Service (Tracy Derry).
