

## URGENT UPDATE TO ALL FAMILIES – School Building Closed Tuesday

12<sup>th</sup> July 2021

Dear Families,

The school building has experienced significant flooding after school today with the rainfall. All four floors of the building are impacted by this flooding. We are currently working with the team that runs the building to determine the next steps.

The school building is closed tomorrow – we will not be able to have pupils onsite. All classes will run virtually tomorrow. Your class teacher will email you at 9:00am to explain the plan for the day, and how we can support this.

This is not what we want so close to the end of the year. We are very sorry as this is not a decision we wanted to take. Camden Local Authority are aware of this.

We will text all families tomorrow to inform you of our next steps.

If you have any questions, we will try to answer this for you in the morning. Please email [admin@swisscottage.camden.sch.uk](mailto:admin@swisscottage.camden.sch.uk) or call the school on 02076818080.

Yours Sincerely,
