Friday 9th July 2021

Dear Parents, Carers, and Families,

It is with great sadness that we share the news that a pupil at our school died last night. Khadija was a part of the Lotus Class in our Lower School.

Khadija enjoyed learning with her friends. This photo is from a learning activity in her class during the recent Diversity Week. It reflects how much she enjoyed the social aspects of the school day. During the pandemic, Khadija regularly joined the class through zoom to connect with her friends and the learning.

Khadija's smile would brighten everybody's day.

This is an incredibly sad time for the family, and our community. We will provide information on what they would find most supportive once they share this with us. For now, we are giving them the space they need.

The school will create a memory book for the family. Please send in messages with your child's home-school book and we will make sure it is included.

This is difficult news to share and we want to reassure you that we will be communicating this with your child very carefully at the start of next week. Please let us know if you or your family would like any support as you process this sad news. We are here for you, and this very special connected community.

Sincerely,

Vijita, Becky, Mia, Lucy, Matt, Laura, and Rima
Senior Leadership Team
