Update: Positive Case of COVID-19

Dear Parents, Carers, and Families

We hope this finds you well. We wrote to you on Tuesday to inform you that three staff members had tested positive for COVID-19. The staff members were from the Sky Blue and Black bubbles. <https://swisscottage.camden.sch.uk/update-positive-case-of-covid-19-2/>

We are writing today to confirm that an upper school pupil from Michelle Obama Class in that Black bubble has also tested positive for COVID-19. We have contacted each of the families in that class to help them understand what this means for their child.

We advise that you continue to monitor your child and family for symptoms due to the ongoing pandemic. If your child develops any symptoms, please contact the school and we can support you. The most common symptoms of coronavirus (COVID-19) are:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

If you have any questions or concerns, please contact reception on 02076818080, email support@swisscottage.camden.sch.uk, or speak to us at the school gates. We want to ensure you are supported as you receive this update on another positive case within our school community.

Yours Sincerely,

Vijita Patel Rebecca Shaw Mia Dodsworth
Principal Vice Principal Vice Principal
