

Update: Positive Case of COVID-19

21st July 2021

Dear Parents, Carers, and Families

We hope this finds you well. We are writing to inform you that we received confirmation that a pupil at our school tested positive for COVID-19. The pupil was at school today.

We are working with the Public Health England's London Coronavirus Response Cell team. There is one class (pupils and staff) and 1 Camden transport bus confirmed as close contacts. We have contacted each of these families and they are moving the pupils into self-isolation for the 10-day period.

- David Weir Class
- Transport: Sky Blue Bus 2

Every family that is impacted has been contacted.

We advise that you continue to monitor your child and family for symptoms due to the ongoing pandemic. If your child develops any symptoms, please contact the school and we can support you. The most common symptoms of coronavirus (COVID-19) are:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

If you have any questions or concerns, please contact reception on 02076818080, email support@swisscottage.camden.sch.uk, or speak to us at the school gates. We want to ensure you are supported as you receive this update on a positive case within our school community so close to the end of the academic year.

Yours Sincerely,

Vijita Patel Rebecca Shaw Mia Dodsworth
Principal Vice Principal Vice Principal
