

28th April 2022

Dear Parents, Carers, Families,

We hold Family Learning Weeks because of our commitment to family partnership. It is a great opportunity to see your child's learning environment, take part in an activity with your child, meet their peer group and other families. We were so pleased that 176 families were able to join the autumn term sessions.

The summer term sessions are focused on a curriculum lesson for Communication / Literacy. We have scheduled this across two weeks as a safety measure for pupils, staff, and families. Each group will be hosted by a member of the Leadership Team so that we can answer any questions you may have about curriculum, teaching, learning, and Evidence for Learning.

Please confirm the name of the family member that will attend in your child's home school book by 6th May so that we can prepare for the session.

We look forward to welcoming you to the school if you are able to join us.

Sincerely,
