19th November 2021

Dear Parents, Carers, and Families,

We are looking forward to bringing the Family Inclusion Team parent/carers sessions onto site over the next two weeks. We are beginning this with 3 specific groups:

23rd November 10:00-11:00am: Parent 'Drop-In' session with Family Inclusion Team members

1st December 10:00-11:00am: Bengali Parent Group with Israth

2nd December 10:00-11:00am: Parent Knitting Club with Family Inclusion Team members

The Parent Council will also have the first meeting of the term on 24th November 10:00-11:00am. The focus with the Parent Council meeting is to discuss key topics that families would value workshops or training so that we can plan the Spring and Summer Term programme. We would aim for these to take place at the school. Your class representative has received a letter to make contact with the families in the class to find out your priorities so that we can ensure all topics are at the heart of the discussion.

This is planned to take place on the 4th floor in the back half of the conference room which has windows and space for social distancing. We ask that parents complete a lateral flow test and wear a face mask as they move through the school building to the meeting space, so that we can protect our community.
