Dear Families,

We have valued meeting many of the Lower School parents across this week for the Lower School Family Learning Week, and look forward to the Upper School sessions next week.

We are really pleased to share the details on how to access Evidence for Learning through their new app. The new Evidence for Learning development allows you to access the Parent Portal through a brand-new Android and iOS app.

If you're already using the existing Evidence for Learning Parent Portal, the new app will give you all of your existing information with easier access.

Our technology team is working hard to send all existing family users their log in details across today and Monday. You will receive your log in (email and password) via email from: services@theteachercloud.net

Your log in details are:

Domain: swisscottage

Username: your email address

Password: If you have forgotten your password or haven't yet been issued with one you can use the forgotten password link on the login screen.

For more information and to download the app, please visit: swisscottage.camden.sch.uk/evidence-for-learning-family-app

You can download the app from this QR code when scanned, or alternatively from the app store in your phone.

Please let us know if you require any support by emailing admin@swisscottage.camden.sch.uk.

The Evidence for Learning journal is uploaded on a two-week cycle. The next upload date will be on Friday, 27th May 2022.
