Dear Families,

The strength of our school across this year was through your support. We protected our community and have moved beyond the pandemic together.

The pathway teams were so creative as they brought different specialists from Art and Cultural organisations into the school to enrich the classroom curriculum across the Autumn and Spring Terms. It was wonderful to then restart our community-based learning outside of school across the Summer Term. The end of term newsletter is an excellent reflection of the school provision beyond the pandemic with highlights from each pathway and the graduation for our wonderful Class of 2022!

Thank you for joining us for the Family Learning Weeks across the year, and the summer term Awards Ceremonies and Progress Meetings. We are incredibly privileged to have you and your children at the heart of this school community.

We wish each of you a summer that is safe and enjoyable. We look forward to welcoming you back on 5th September 2022 for the new academic year.

Warmest wishes,

The Swiss Cottage School Team
