23rd February 2022

Dear Families,

We are pleased to confirm that Thames Water have completed their engineering works and the school building will reopen to our pupils and staff teams. We have confirmation from the Facilities Management team that all hygiene measures and cleans will be completed this evening to support the return into the building tomorrow morning. We will contact all Local Authority transport teams if your child is on school transport arrangements.

Thank you for working with us through the Virtual School following the unexpected building closure. Have a good evening and we look forward to welcoming the pupils back to school tomorrow.

Sincerely,

Vijita Patel
Principal
