Dear Families,

It is excellent to have Evidence for Learning in use by so many families. Two additional workshops are planned in November for families that would like to learn more about how to use Evidence for Learning. The sessions can give technical support as well on how to use the Evidence for Learning Family App that works on Apple and Android devices.

The two sessions are being offered on:    Wednesday 2nd November, 10.00 – 11.00  
   Thursday 10th November, 10.00 – 11.00

Please register attendance with an email to [admin@swisscottage.camden.sch.uk](mailto:admin@swisscottage.camden.sch.uk) so that we can setup the space and have enough team members available.

We look forward to working with you.

Yours Sincerely,

Matthew Granados & Matthew Maguire
