ican dance believe it

Dance for Wellbeing for Parents at Swiss Cottage School:

ican dance is a creative, therapeutic community using dance and movement to express, connect and support wellbeing. We specialise in working with families with lived experience of disability believing the best outcomes for a disabled child is achieved by supporting the family.

Our sessions are facilitated by experienced Dance Movement Psychotherapists and dance artists who provide a safe, creative space to connect to feelings and experiences through dance and movement whilst also having fun and improving your physical health.

Sessions are interactive and creative working together as a group to move and reflect as we use our bodies as a creative resource. No prior dance experience needed.

Sessions will take place on a weekly basis at Swiss Cottage School on Thursdays from 11:15am to 12:15pm if we get enough interest (look out for a survey by text).
