Dear Families,

It was fantastic to have over 100 parents join the International Day events on Wednesday. The events across the day brought classes together for cross-curriculum learning. The performances in the afternoon with families joining the celebrations felt like a big festival party for our community! Thank you to an incredible group of families for bringing home-cooked meals to share with parents and staff for the 'Shared Lunch'. It was such a special time for staff to feel that thanks from you with the incredible food you shared, and to celebrate delicious family recipes!

Tuesday Parent/Carer Coffee Morning included a Sleep Workshop. Here are some links to social stories for all families that may be helpful for sleep difficulties:

[Sleep Social Stories \(happylearners.info\)](http://happylearners.info)

[Bedtime social story \(leedsmencap.org.uk\)](http://leedsmencap.org.uk)

Adelaide Road / Avenue Road / Finchley Road: Please be aware that there is a rise of phone thefts in the area of the school. Individuals on bicycles and mopeds are grabbing items off of people walking on the road. The police are aware. Please be careful and let us know if we can support you.

Wishing all of our families a safe and enjoyable weekend.

Sincerely,
Swiss Cottage School
