

3rd December 2020

Dear Parents, Carers, and Families

We hope this finds you well and safe. We are writing to inform you that a pupil has tested positive for COVID-19. The pupil that tested positive has not tested positive before. This pupil is from the Orange Bubble. This confirmation came through yesterday.

One class from the Orange Bubble is back in self-isolation. Two additional pupils who were on the Local Authority transport with this pupil are also in self-isolation. We have already contacted these families. No other classes in the Orange Bubble or school are impacted.

We have worked closely with the Public Health England's London Coronavirus Response Cell team and Camden & Islington Public Health teams to complete assessments.

We remain open.

Please continue to monitor your child and family for symptoms. If your child develops any symptoms, please contact the school and do not send them into the school. The most common symptoms of coronavirus (COVID-19) are:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

Thank you for supporting us and one another during this complex time. If you have any questions or concerns, please contact reception on 02076818080, email support@swisscottage.camden.sch.uk, or speak to us at the school gates. We want to ensure you are supported.

Yours Sincerely,

Vijita Patel Rebecca Shaw
Principal Vice Principal
