

4th December 2020

Dear Parents, Carers, and Families,

We trust this finds you and your families well. The elections for the Governing Body's vacancies is completed and we are pleased to confirm the outcome of the Parent Governor elections.

The Lower School parent governor is Andrea Zisman, parent of Eric in Lotus Class.
The Upper School parent governor is Karen Rodrigues-Ayers, parent of Christina in Gandhi Class.

Thank you for supporting this important process. We look forward to welcoming the two new parent governors during the transition period. Our heartfelt appreciation to John Coombe-Tenant (Parent Governor), Maria Shultz (Parent Governor), and Dahlia Dajani (Co-Opted Governor) for their years of support as active governors.

The governing body works with the senior leadership team to ensure the strategic vision and strategy for the school will promote the highest standards of education and financial sustainability. The governing body remains committed and proactive in ensuring the best interests of our pupils, staff, and families as we navigate this pandemic together.

The ethos of this school celebrates an open-door relationship with our very special community. We know this is impacted heavily by the COVID-19 pandemic as we protect our vulnerable pupil population and committed staff teams. Thank you for supporting the measures at the school and for keeping our community safe during this difficult time. We wish each of your families a safe weekend.

Yours Sincerely,

Peter Sprinz
Co-Chair of Governing Body

Jonathan Hilliard QC
Co-Chair of Governing Body
