

Music apps for iPad

All compatible with ios12

Music and visual effects:

	<u>Paint sparkles draw</u>	FREE	Draw lines and pictures which sparkle and make music. In app purchases.
	<u>Bloom Tunes</u>	£1.99	Colour in a shape – music as well. No in app purchases.
	<u>Sago Mini Musical Box</u>	£3.99	Plays nursery rhymes and shows different scenery as you keep pressing the screen. Benefit is tapping in same place gives different pictures and different music.
	<u>Bebot</u>	£1.99	Touch anywhere on the screen and the robot moves around. Keyboard/synthesiser sounds.
	<u>Baby's Musical Hands</u>	£0.99	Great cause effect music app – no in app purchases. Each square plays a different note.

Instrument apps:

	<u>Discover Musical Instruments</u>	FREE	Choice of grid of different instruments but can make whole screen by turning iPad on its side.
	<u>Music Sparkles</u>	FREE	Press notes on xylophone or press different drums (has in app purchases)
	<u>Drum kit</u>	FREE	Good cause effect drum kit. Has in app purchases.
	<u>Magic Zither</u>	FREE	Colour and music app. Has in app purchases.
	<u>ThumbJam</u>	£8.99	Very easy to use - a wide range of instruments on the full screen and easy to record a backing track.
	<u>Garage Band</u>	FREE	Wide range of instruments to play on full screen, guitar chords, piano keys etc.
	<u>Echo String</u>	Lite version FREE (£1.99 for full version)	Lovely sound – very easy to use – touchscreen different notes.
