In God's family, learning, loving, growing to be our very best

17th May 2024

Dear Parents,

I'd like to start this week by saying a huge 'WELL DONE' to our Year 6 pupils: Alexandra, Annabelle, Chloe, Connie, Connor, Conor, Darius, Evelyn, Evie, Fraser, Freya, George, Heidi, Honeybelle, Hywel, Jonah, Joshua, Kairav, Liv, Louie, Megan, Mia, Oliver, Olivia, Paige, Roman, Samuel, Sebby, Tia and Zach.

This week was SATs week in school for our Year 6, and I have been so impressed by their amazing attitude. They have come into school each day smiling and have just epitomised our school motto of being 'the best that they can be'. As I always say, SATs only measure one thing, and I know in our Year 6 we have such a wide range of talented children, each and everyone, without exception, excels in something. We now have to wait a couple of months for the results, but no matter what they are, I know that the children and staff have been the best that they could be.

A special thankyou to Miss Cutler who this week put on a special breakfast club for the Year 6 ensuring that they had a nice calm start to the day, reassuring the children and giving them an additional confidence boost telling them 'you've got this'.

Today as a little treat for Year 6 and all their hard work, myself and Miss Evens created an ice-cream parlour (aprons and hairnets were worn) for the children which was a lovely surprise for them on such a lovely sunny day.

In other news this week I have been so busy with children coming to me to show me their fantastic learning.

In Year 3 Isabelle R, Kaia E, Isabelle S and Ethan K brought me their Science books. The children had been learning all about pollination. I was amazed by their depth of knowledge and understanding on this area of learning.

In Year 1 a very proud Miss Evens brought Reggie P along with his instructional writing on how to make Castle Cannonball Sweets. Reggie reread his instructions to me explaining in great detail how I too could make these sweets at home. Well done Reggie!

Mrs Coffey brought Oscar M to me from Year 2 who has been working so hard on his phonics. Mrs Coffey explained that Oscar had blown her away with his knowledge of phonics and that she had had to move him up a group as he was doing so well. Well done Oscar!

Also a special mention to Natalie D in Year 2 who was the first KS1 pupil to collect 33 Saver Stamps and come and exchange them at the Saver Stamp shop. Well done Natalie you must have been working really hard and demonstrating outstanding behaviour to collect all the Saver Stamps.

Don't forget that next week the School Council are holding a fundraiser for homeless children. Children (and staff) are invited to wear their PJs for the day and all donations will be sent to their chosen charity.

Wishing you all a lovely weekend,

Mrs Bamford

Head teacher
