

VERY SPECIAL NEWS!

CHALLENGE

To all Tanworth in Arden school children and all their friends & families

I will be running a fun 5p challenge starting today.

Each class has been given their own bottle for collecting 5p coins.

The aim of the challenge is to fill the bottle with 5p coins right to the VERY top!

Once each bottle has been filled right up with silver every child in that class will enjoy a treat.

The children in the class who fills their bottle FIRST will win an EXTRA SPECIAL PRIZE!

I will keep checking and post a weekly update as to which Class is currently in the lead

Money raised will be used to buy COOL things for our school to be chosen by the children and their teachers...so everyone's a winner!

I have already raided my money box for 5ps to start off Yr3's bottle...
I hope you all join in too!

Good Luck!

Daisy-Snowflake

YR3
