Crisis in Ukraine: GIVING items for transportation - URGENT APPEAL

St Mary Magdalene Church and Tanworth School and Nursery are committed to helping the people of the Ukraine. This is an urgent appeal for **non-perishable goods** - from the list below - which you can take to the School week beginning 7th March.

Please pack items in boxes if possible, or heavy-duty black sacks for lighter weight items.

Print labels as needed - one for each package - tick which items are enclosed and stick to the package.

We will arrange for your donations to be delivered to Attwell Farm. They work with their other family company, Oakland International, to manage the logistics - packages onto palettes which then fill trucks bound for the border with Ukraine. They expect to send 50 trucks by the end of next week, and will continue for as long as is necessary 🍷

Drop off point: Tanworth in Arden School on **7th-11th March 2022 between 8:30am and 4pm**

Tick the box next to the item(s) you are donating, cut the label out and stick to your package.

Thank you 🍷 🇺🇦 🌻
