Funding Childcare & Education offers

Children may access some or all of their funded entitlement with us. Children attending 2 settings will have their 15/30 hours split between the settings. The decision about which hours go to which setting is usually the choice of the parent, and we ask you to mark your preference and we will advise on the local authority requirements should this be any different. Our funding is offered as **a minimum 15 funded hours booking or with additional flexible, enhanced funding hours via the 30 hour code application.**

At the age of 2 years your child may be eligible for 1140 hours of funded education which we offer flexibly for 38 weeks of the year. This is known as 'working parent entitlement'. Our various sessions are shown in the tables attached and where parents choose to access an enhanced offer, over and above the basic government funded provision, then there is an additional charge that covers additional services. These services include, but are not limited to snacks, drinks, lunches.

At the age of 3 years your child is eligible for 1140 hours of funded education which we offer flexibly for 38 weeks of the year. Our various sessions are shown in the tables attached and where parents choose to access an enhanced offer, over and above the basic government funded provision, then there is an additional charge that covers additional services. These services include, but are not limited to snacks, drinks, lunches.

The eligibility criteria for this is available on the government website. It is the parents responsibility to check their eligibility through HMRC and they must provide an eligibility code to ourselves for checking with the Local Authority prior to being able to take up the extended offer. We only offer our 30-hours as 1140 hours over 38 weeks of the year.

Our Nursery Operating Hours/sessions & additional services

Our Nursery is open between 8.45am and 3.15pm Monday to Friday for 38 weeks of the year during term time. We are closed for all school holidays, teacher training days and bank holidays.

There is a minimum booking requirement of 15 funded hours per week for 2, 3 & 4 year olds who are eligible for funded hours

For non-funded sessions, our minimum booking requirement is either two mornings or two school day sessions or a combination of both. We believe this is important for continuity of care.

Once your child is entitled to funding these sessions must be increased to 15 funded hours per week. A session is a morning or afternoon, (3 hours) with a school day representing 2 sessions – 6 hours offered in a continuous block.

Funded Places

Following the Early Years entitlements expansion in April 2024, your child can receive funded nursery education from the term after their second birthday, this is known as the 'working parent entitlement'. A valid eligibility code from HMRC will be required. At this point the sessions must be increased to 15 funded hours per week.

Additionally, all child can receive funded nursery education from the term after their third birthday, again at this point the sessions must be increased to 15 funded hours per week. Additionally, if you do qualify for 30 hours childcare we strongly recommend that your child attends for their full entitlement. 30-hours childcare requires a valid eligibility code from HMRC.

Funded Term Dates

Your child can receive funded nursery education from the term after their second/third birthday:

| Child born between | Entitlement begins |
|--------------------------------|---------------------------|
| 1st January to 31st March | April (Summer term) |
| 1st April to 31st August | September (Autumn term) |
| 1st September to 31st December | January (Spring term) |

Funded Hours

Parents will need to apply the term before they wish to access the 'working parent entitlement' or 30 hours funding. Parents must apply online to HMRC's digital childcare service at:

www.childcarechoices.gov.uk

If parents are eligible, they will be given an 11-digit eligibility code for their child.

Please note we have no control over this process. All queries should be directed to HMRC. Parents will need to give their eligibility code, along with their Date of Birth, National Insurance Number and child's date of birth to the Nursery Office, or completed on the attached form. Parents will also be required to reconfirm the 11 digit eligibility code every 3 months to confirm they remain eligible.

Settling-In Sessions

As a general rule we offer two two-hour settling in sessions prior to your child starting nursery. However, we are flexible with this and understand that the needs of each child are different and unique. Should we feel that your child would benefit from further settling in sessions we will discuss this with you and make the necessary arrangements.
