Dear Children,

The library is slowly taking shape with new books ordered and our current stock labelled ready for you to select. I hope that you are enjoying reading and also enjoying quizzing on the book after you have finished reading.

Year 5 and 6 created some beautiful story book characters with Art Base, but I would now like to make our library look even better with further art work linked to books and story characters.

So today I am going to launch a competition! The competition is to create a story in a shoe box. All you need to do is to get an old shoe box, turn it on its side and then let your imagination run wild. Choose your favourite book and then create a scene or retell the story inside the shoebox.

Here are some ideas to help you:

Remember the shoebox needs to be on its side so when they are displayed we can see inside.

There will be a prize for the best shoebox in each year group as well as an overall winner in each phase (EYFS, KS1 and KS2).

All shoeboxes need to be brought into school by Friday 12th January 2018 clearly labelled with your name and class.

Good Luck!

Mrs Shelley Bamford
