

Dear Parents

### **Virtual Class Photographs**

We received a really positive response to our suggestion that we create some “virtual” year group photos and have been busy making arrangements to facilitate this as best we can. We are now in a position to make it happen!!

For a fee which will be covered by the PTA, Lawrence Jones of ***Kids Naturally Photography*** has agreed to help us compile the images into a collage of each year group with their teacher and teaching assistant, showing our school logo, the year group and the date. The images created will be the highest possible resolution and sent to you digitally for you to print as you wish, with a suggested size of A4.

What we now need you to do is send a photograph of your child, at the maximum resolution your device allows, to [tanworthinardenpta@gmail.com](mailto:tanworthinardenpta@gmail.com). Please note;

- The photo should be portrait, not landscape.
- It would be lovely if your child was wearing their Summer uniform – as they would have been in the usual year group photos – but if this isn’t feasible for you then we leave it up to you to decide what your child should wear.
- The photo should be reasonably close up. The top of your child’s head should be in the top third of the photo and the bottom third of the photo should include the school logo shown on the Summer polo shirt (or the equivalent for those not wearing a top showing the school logo). Please leave a little room all the way around the image of your child to enable cropping where necessary.
- It is preferable that the photo is taken outside, to ensure the best possible lighting, and if there is some greenery in the background, that will help us with the overall appearance of the collage.
- Your photograph should be submitted to the correct email address no later than ***Friday 26<sup>th</sup> June***. If we have not received a photograph from you by that date, we will assume that you do not want your child’s image to be included.
- Please include your child’s name and year group in the ***subject*** of the email. Once the individual photographs have been uploaded into the final image, your email will be permanently deleted from the PTA email account.
- We will then get the final images emailed to you before the end of term.

Please don’t feel under pressure to submit professional-standard photography! This should be something you enjoy doing to create a lovely keepsake – lockdown haircuts and outgrown uniforms are all part of the fun!!

Finally, the PTA are not charging parents a set fee for this service as we know so many of you are managing on reduced income during these strange times. However, if you can spare anything to help the PTA in its continued efforts to support our school, we welcome all donations to ***Tanworth in Arden Junior and Primary PTA, SC 30 96 97, Acc 02780003***, with “***Virtual Class Photo***” as a payment reference. If you are unsure of what the amount should be, we would be thrilled to receive anything between £2.50 and £7.00.

Take care and stay safe everyone!  
Your PTA
