

# Pupil premium strategy statement 2020-21

## School overview

Metric	Data
School name	Tany's Dell Primary School
Pupils in school	419
Proportion of disadvantaged pupils	33.2%
Pupil premium allocation this academic year	£173,505
Academic year covered by statement	2020-21
Publish date	February 2021
Review date	February 2022
Statement authorised by	Bernadette Miele
Pupil premium lead	Fern Middleton
Governor lead	Robert Rowlandson

## Disadvantaged pupil progress scores for most recent academic year figures 2018-19

Measure	School Score	National Average
Reading	+0.37	-0.6
Writing	-1.65	-0.49
Maths	+2.23	-0.69

## Disadvantaged pupil performance overview for most recent academic year figures 2018-19

Measure	School Score	National Average
<u>Meeting expected standard at KS2</u>		
Reading	73%	62%
Writing	68%	68%
Maths	82%	67%
Combined	64%	51%
<u>Achieving high standard at KS2</u>		
Reading	23%	17%
Writing	14%	11%
Maths	27%	16%
Combined	5%	5%

## Strategic aims for disadvantaged pupils linked to analysis of 2018-19 outcomes, 2019-20 teacher assessments and targets set (using teacher assessments) for 2021 .

Measure	Activity
Priority 1	To raise attainment in writing, by consistently promoting pupil speaking and listening skills using standard English; helping them use this to extend their vocabulary, improve their grammatical accuracy and develop the range of sentence types and structures that they use in their writing across the curriculum.
Priority 2	Ensuring that we make every effort to develop children's Cultural Capital through our curriculum, in particular reading, to further develop their vocabulary and increase their ability to understand and comprehend more complex texts.
Priority 3	Ensuring that the EMHWP of the whole school community is identified, analysed, supported and maintained in order to have a positive impact upon pupil progress and attendance.
Barriers to learning that these priorities address	<p>We recognise that a proportion of our children enter school with very poor speech and language skills. We are also seeking to redress the imbalance of poor communication and life experiences that some of our children receive in the home environment.</p> <p>We also recognise that some of our children are living in situations that have an emotional impact, which in turn affects their ability to focus. A proportion of our parents struggle to maintain organised routines, which can directly impact on school attendance and readiness to learn.</p> <p>The current pandemic has had an impact on all pupils, but particularly the children we have identified as falling within these groups.</p>

## Targets for disadvantaged children in current academic year 2020-2021

Aim	Target	Target date
Reading	75%	July 2022
Writing	73%	July 2022
Mathematics	75%	July 2022
Phonics	60% [Ambitious based upon amount of full time, in school education during this and last academic year.]	July 2022

## Targeted academic support for current academic year

Measure	Activity
Priority 1	LSAs in every class to ensure on the spot intervention and opportunities for pre-teaching and re-teaching.
Priority 2	After school homework clubs and 1:1/small group tuition to target identified pupils who are at risk of not making expected progress.
Barriers to learning these priorities address	Ensuring that no pupil misses the opportunity to make good progress and meet their full potential.

## Wider strategies for current academic year

Measure	Activity
Priority 1	Continue to embed Magic Breakfast Club, to ensure that no child is too hungry to learn.
Priority 2	Continue to support children and their families with attendance, behaviour, EMHWP and issues relating to Covid-19, including financial difficulties and bereavement.
Barriers to learning these priorities address	Improving attendance, behaviour and readiness to learn for our disadvantaged pupils and supporting good EMHWP.

**Planned PPG spending linked to priorities, strategies and targets identified above 2020-21  
(Figures have been adjusted to reflect changes to costs due to Covid-19 closures)**

Item/project	Budget Cost	Objective	Intended Outcome	Measurable Outcome
Employment of Family Support Staff (0.8f.t.e.)	24,692	Early intervention for vulnerable pupils especially when impacting on attendance.	Attendance is being maintained at national expectations and children and families are appropriately supported.	Attendance Data Performance Data
Employment of LSAs to support vulnerable pupils -based on 30% of £387,231.44	116,170	To further enhance provision of interventions and support for pupils who are vulnerable.	Vulnerable continue to attain similar standards to those of their peers.	Performance Data Termly Pupil Progress meeting records
Tutor fees – Drama	4,250	To raise aspirations and self-esteem for all children in class but particularly those who are vulnerable.	Speaking and listening skills of Y3 & Y4 pupils will improve.	Performance Data Pupil Voice Annual Surveys

Raised self-esteem and trust of adults, leading to confidence to express feelings and be in a good place to learn.	Performance Data Attendance Data Pupil voice annual surveys
Breakfast Club <b>EXPENDITURE</b> Food £1,005.79 Staff £6,466.96 <b>INCOME</b> £2,750 Magic Breakfast Bagels	4723 1294	Provide the opportunity for all children to start the day with a good breakfast.  Ensure that no child is too hungry to learn.	Pupils more alert and ready to learn – raised levels of achievement.	Performance Data Termly Pupil Progress meeting records Pupil Voice Annual Surveys
After school Tuition – provided by experienced LSAs and teachers	10,000	To extend the number of identified children receiving 1:1 and small group tuition and enable them to make at least expected levels of progress.	Impacts on whole school to raise levels of achievement – particular focus on Y6	Performance Data Termly Pupil Progress meeting records
After school Homework Support – provided by LSAs	1,456	To support identified pupils with homework activities and on-going skills development.	Identified pupils to make accelerated progress.	Performance Data Termly Pupil Progress meeting records
Miscellaneous expenditure	1,000	Prizes for attendance awards Financial support for identified families re Educational visits / clubs etc.	Pupils are motivated to come to school every day. Identified families are supported financially for specific needs.	Performance Data Attendance Data
<b>TOTAL BUDGETED</b>	<b>179,018</b>			

Total PPG allocated 2020/21	173,505
Top-up from School's Delegated Budget	5,513
<b>Total Budgeted</b>	<b>179,018</b>

## Monitoring

The impact of the implementation of our planned strategies will be monitored and reviewed as part of our whole school Self Evaluation. Evidence used will include analysis of data, information from pupil progress meetings, book scrutinies, whole school surveys, discussions at safeguarding meetings and records of visits from School Improvement Partners and other outside agencies.
