Approve:	Final approval of policies or recommendations made by the CEO or appropriate group to either the Trust board or Local Governing Bodies (in cases where powers have been delegated to the Local Governing Body by the Trust Board).

Governor Monitoring: The key areas for monitoring identified by the Trust Board are Safeguarding, SEND, Disadvantaged Pupils (includes Pupil Premium) Curriculum (includes Teaching and Learning/standards) and Professional Learning and Wellbeing. Local governing bodies must monitor these areas and provide reports to the relevant Local Governing Body. Local governing bodies may choose to monitor additional areas but in doing so must take into account the workloads of governors, staff and the headteacher.
