

# Our Vision for the EYFS at Tany's Dell

*Our ambition is for children in our care to develop a solid foundation that will prepare them for the rest of their educational journey, and will enable them to 'reach for the stars' in all aspects of their future life.*

Our aim is that our children become:

happy      ready to learn  
resilient      healthy  
observant  
independent  
creative      reflective  
resourceful  
confident      successful  
kind      caring      knowledgeable  
good communicators      ambitious  
problem solvers      keen to learn

In order for the children to achieve these solid foundations, we will ensure that we:

- Provide a safe, happy, enabling environment which promotes the learning and development of every child attending our setting.
- Value and develop a close partnership with families.
- Value the importance of play, whilst also teaching through focused, adult-directed sessions where appropriate.
- Recognise that all children are individuals. We will work hard to know each child uniquely - understanding and nurturing their individual interests and needs so that they are able to reach their full potential.
- Know and understand where the children have been and where they are going to.
