

TANYS' DELL PRIMARY SCHOOL ACTION PLAN 2021 – 2022

LIBRARY

VISION STATEMENT

We would like to encourage, empower and inspire all children at Tany's Dell school to find a love of books and reading.

We would like to be seen by staff and pupils as a calm, relaxed and welcoming environment where everyone is welcome.

We would like to be used as a quiet space for downtime and reflection.

Our big ideas are to:

- **provide materials that will inspire pupils' imagination and factual knowledge**
 - **develop Children's literary appreciation of a variety of genres**
 - **provide materials containing a wide range of views on different issues**
- **provide materials that represent different religions, ethnic and cultural groups**
- **provide a place where staff and pupils can locate different materials with ease and confidence**
