Key stage 4:

KS4 classes work primarily towards GCSE qualifications. The KS4 curriculum is a mixture of **5** Core subjects and **3** Option subjects chosen from the lists in the table below. All KS4 students should take at least one EBACC subject (History/Geography/MFL). KS4 classes are mixed ability for everything except Maths. In Y11, Maths students working at the foundation tier standard will have a 4th hour of Maths timetabled in place of one of their Core PE lessons. All students have access to the Triple Science course and will be entered for either Foundation or Higher tier exam papers based on their achievements in the subject in Year 11.

Key Stage 3: Y7-Y9

Year groups are split into three mixed ability bands in KS3 (X, Y and Z).

Students are taught as a form group in Year 7 for Geography, History, Drama, IT, Music, EPR (Ethics, Philosophy & Religion), Personal Development and Art.

MFL: Students commence studying a language in Year 7 and continue with the same language through to KS4. The languages taught at Tapton are French, German or Spanish.

Maths: are set by ability in Year 7-Year 9.

DT: Year 7 and Year 8 are taught food, Textiles, Engineering and Product Design on a rotation (the specialism rotates halfway through the year) to enable students to experience each of the subject areas.

Subject Choices: In Year 9 students will study two subjects from the option blocks below. At least one subject must be one of the Arts (Art, Drama, Music, Textiles), although we promote a balanced curriculum with one Arts and one technical subject.
