

Thursday 19th March

Dear Parents,

Free School Meals (FSM)

Your child is currently listed as being in receipt of Free School Meals (FSM).

In the first instance, we are encouraging you to send your child into school where they will be provided with a free breakfast and a free lunch in line with our usual provision.

In addition, we can support your child in school with their learning and provide access to additional and wider support during the school day.

If you are unable to send your child into school, we are seeking ways to provide access to the meals they would usually receive. This maybe in the form of food packs or vouchers.

We are currently awaiting guidance from the government as to how this can take place and will inform you at the earliest opportunity.

In the meantime, if you are isolated at home and require food-packs please ring us on 01172 812644 as soon as you can and we will arrange a delivery.

This letter will be followed up with a telephone call to make sure you have received it and to ascertain what your intentions are moving forward.

Yours sincerely,

Mrs L A Gwinnett
