Dear Parent,

Students in Receipt of Free School Meals

Today you will have received [a letter](#) explaining the additional measures the school is taking to safeguard students, staff and their families in light of the current advice on coronavirus.

During this partial opening period, we will continue to provide a daily catering service at breakfast and lunch for your child.

You have been asked to complete an online school survey which gives you the opportunity to continue to send your child to school should you wish to do so (Option B in the letter). If however, you intend to support home learning for the foreseeable future please choose Option A on the online survey.

Yours sincerely,

Mrs L A Gwinnett
