Dear Friend

On behalf of everyone at Rainbow House, I would like to take this opportunity to thank you for your most generous gift of £ 45,45 which we received on Friday, August 5, 2016.

As I'm sure you know, we are a charity that provides rehabilitation, education and fun for children, young people, and adults with neurological conditions (such as Cerebral Palsy, Acquired Brain Injury, Stroke, MS and genetic conditions).

Dear Mrs Gwinnett

Thank you so much for your donation of £13.40 to Help for Heroes (H4H).

Support like yours means you've enabled the creation of an enduring national network of support for our wounded and their families.

Every single person we help gets support that's designed for them and their recovery; this is at the heart of everything we do.

Our four Recovery Centres are central to this delivery. They provide welfare support, a bespoke careers service, sports recovery opportunities, physical and psychological wellbeing services and fellowship. This support is underpinned by the fantastic work carried out by our Grants Team to provide grants to individuals and to over 60 specialist charity partners.

However, thanks to newly published research from King's College London and Help for Heroes, we now know that at least 66,090 of the 757,805 people who served as Regulars in the British Armed Forces between 1991 and 2014 will need our support either now, or in the future.

Put simply, that means 1 in 11 will need a helping hand. We are not done. There is so much more to do. Our Heroes are still battling and we won't let them battle alone. We are so glad to have friends with us as we work together to rebuild lives.

My Gwinnett,

I'd like to thank you for the kind donation we received totaling £63.82 for your support will enable us to provide vital services to older people across the UK.

Older we all face new challenges but that doesn't stop us from living a fulfilling, independent later life. Age UK is passionate that everyone has the opportunity to be able to make the most of later life, whatever their circumstances, wants and needs. Our vital work can only be achieved with the support from people like yourself, so your donation is very much appreciated.

Thank you again for helping to create a world where everyone can love later life.

Yours sincerely,

SSCC Picking a Project

Your name: _____

 What is the problem?
Why is it important?

 How should it be fixed?

 What will you do to help fix it?

Checklist	I need to find out	I am sure	Yes/No
Can we do it for free?	<input type="checkbox"/>	<input type="checkbox"/>	
Will we be able to get the headteacher to agree?	<input type="checkbox"/>	<input type="checkbox"/>	
Can we do it on our own (without help)?	<input type="checkbox"/>	<input type="checkbox"/>	
Do most pupils want this to happen?	<input type="checkbox"/>	<input type="checkbox"/>	
Is it safe?	<input type="checkbox"/>	<input type="checkbox"/>	

If you have said 'Yes' to all the questions and you are sure of your answers, it looks like you should make a start on your project. If you are not sure you need to find someone to help you.

Using the *Picking Project* sheet provided conduct a group discussion about a possible topic or issues as a group you would like to adopt.

Remember every group members opinion is important

You can use the titles or charities on the next slide to help but you can use other topics of your own choosing.

It may take a while to come to a decision ... that's okay!

Will you meet again before the next PHSCE day?

IMPACT ACTION TEAM

This is your chance to make an impact and take action

What will your IMPACT ACTION Team be expected to do?

- Meet a minimum of the five PHSCE days
- Deliver/Plan one assembly over the year
- Produce an action plan
- Adopt and support a particular social issue or organisation
- Each Tutor will be awarded according to the level of impact they have across the school and community throughout the year

On the final PSHCE day (21st June), we will have a Crater Event. Each tutor group will have a stall to present how they made an impact.

A judging panel will chose the winning tutor group
