If you have applied for an apprenticeship as your first choice for September it's important that you still complete the above instructions for your full-time back up offer in case you don't manage to secure employment. **Please note on your enrolment account it won't allow you to accept the apprenticeship offer – This would be completed during the apprenticeship sign up process with the employer and someone from the apprenticeship team.** If you have secured employment please email dcrumblehulme@preston.ac.uk and we will take you through all of the relevant steps. If you have any questions or need advice about an apprenticeship, you can contact us on 01772 225768

We are on hand if you wish to change the course you were offered at interview or if you want any help or advice. Please email guidance@preston.ac.uk or call 01772 225517.

We look forward to welcoming you to Preston College.
